Faculty

PRINCIPAL
Ms. Eleta J. Caldwell

I write my premier statement to graduating seniors in my capacity as principal with great pride. I am extremely proud of my historical association with Arts High School.

I have been a student here, as you were. I have been a graduate, as you now will be. I have been - and will continue to be - a teacher; then a chairperson, and am now referred to as PRINCIPAL.

I have always loved teaching and was very satisfied in that capacity. The experiences, the environment of Arts High and the students here are exclusively responsible for my leaving the classroom. Leaving the classroom has allowed me to extend my teaching to a larger population while giving me a much greater perspective. I gratefully acknowledge not only my ability to teach, but my ability to learn from you and all the students past and future. Working with young people was my choice, and I especially like the creative, sensitive qualities that are so pronounced in the students at Arts.

My primary concern is that you are prepared to make the decisions now, that you must make to successfully pursue the post-secondary desires that will be necessary for a well meaning future.

Honesty, integrity, and fairness have always been a concern of mine and I hope that I have shown the validity of these qualities in our relationship with some degree of adequacy. I have immense faith in you, your intellegence and abilities. Love and good wishes will always be in my heart for you.

VICE PRINCIPAL
Mr. Alfredo Gentile

Warm Memories of Winter Fair

The Winter Fair is a yearly Arts High School tradition which takes place in December. T festivities of the season are reflected in the myriad of activities which occur. There are dan and musical performances. Handmade craft items are for sale, as well as, portraits a caricatures which are created by our student artists "on the spot". Clubs and organizatio such as the student council and the junior class, sell a range of items from Christmas gifts hot dogs. In all, there is something for everyone and a good time is had by all.

EXIT

Arts High School's Winter Concert took place on January 24, 1992. This year's concert included performances by the students of Mr. Stanley Cleveland, Mrs. Linda Lanier-Keosaian, Mr. Robert Howard, and others. The concerts allow parents to come out and witness the talents of their children and other musically gifted youth. They also get the feel of what Arts High School is all about. Each concert reminds us that the time has come for us to begin counting down to our last performance. Each performance brings us closer and closer to the end of an UNFROGETTABLE year.

Lisa Corbett c/o '92

Lasting Impressions

On December 13, 1991, the drama department's junior class performed two one-act plays. "Beautiful Beula Belle", directed by Mr. Jack Gardner, featured Nefertite Nguvu, Stanley Rawls, Edgar Moyee, Niquan Parker, Felicia Walker, Shonique Bankis, Arlisha Carter, and Shareef Fears. The cast of "The Caged Birds", directed by Mrs. Sherry Long-Abeson, included Geneva Ortiz, Erica Gardner, Shawanna Moton, Lelisa Younger, Alissa Lenon, Naima Duncan, Felieca Kameka, and Teaya Boyce. Both shows entertained, awakened thoughts about current social issues and left the audience with lasting impressions.

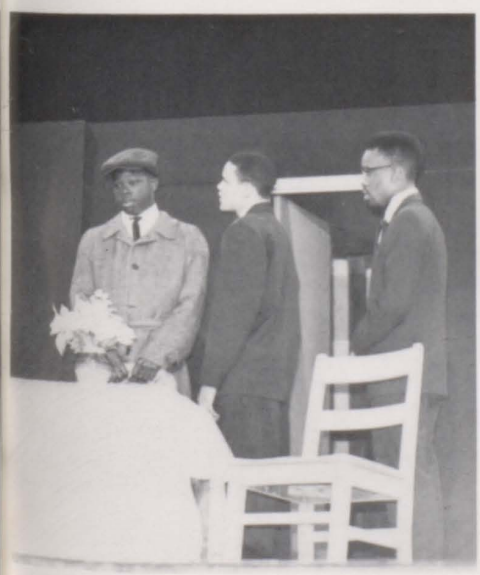

The **"UNFORGETTABLE"** Meeting

The Meeting, by Jeff Stetson, was performed on January 15, 1992, in honor of the birthday of Rev. Dr. Martin Luther King Jr. Johanne Monjoie introduced the play and set the time (early 1960's) and place (Theresa Hotel, Harlem, N.Y.C.). The play depicts the actual meeting of Dr. King and Malcolm X in Harlem. During the course of the play we find that there are just as many points on which the two men agree as there are points on which they disagree. Malcolm X was played by Lamar McCloud, Dr. King by Sharrieff Pugh, and Malcolm's bodyguard, Rashad, by Savion Glover. The program closed with Stevie Wonder's Tribute to Dr. King - "Happy Birthday".

This truly rivetting performance was the antecedent for an UNFORGETTABLE meeting of the minds and hearts of performers and audience.

LISA S. CORBETT
Instrumental Music
Looking back on the years of high school, I've realized that there will always be that one person (or three people) that you become or became attached to. In my freshman year, I met two females very different from each other in procedures, but they were similar in personalities. Then,there was that special teacher that can relate to everything. They are Tamara A. Christian, Shelly A. Rigby and Miss A. Williams. I thank you for four years of tears, laughter, heartache and achievements. Most of all I thank you for just giving me your ear for a little of your time. It really meant a lot to me. "He that is thy friend indeed, will help thee in thy need."
"Strive to be #1."

TAMARAH A. CHRISTIAN
Instrumental Music
As we've progressed through our years at Arts High School, we've met new friends and have lost old ones, but there is one thing I can say is that the new friend I made in Mr. Cleveland's fifth period freshman music class turned out to be my best friend for four years and will be for the years to come. To Lisa and all my other friends in the Class of 1992 I just want to say even though we will depart to our own seperate ways, we will still be together in spirit.

ALISHA M. JONES
Vocal Music
I would like to say good-bye to the entire student body here at Arts High School. Those I knew and those I didn't get a chance to know . A special thanks goes out to the Senior Class, especially to my wonderful friends, Sharone, Erica, Latabia, Cheryl, Tara, Joy, Yolanda and Quantina.

I would like to wish the class of 92 good luck and remember to take God with you in whatever you do. Also, thanks Mom and Dad for your support. Thanks Michael for being my big brother. I will always love you.

NAKIA KEARSE
Vocal Music

Just to look back on my last four years here at Arts, it's not too much I can't say. Many times, I thought to myself "I'm not going to make it", but I can now sit here and say I did survive through the fights, the take overs, the sitins, the walkouts, and the many other trials the Class of 1992 was put through these last four years. I love you Mommy, Daddy, Linda, Joyce, Rhonda, Annette, and Kenny. Thank you also for your love and support. Goodbye Terri, Sharonda, Robin, Quwanna, Stacey, Tab, Meeka, Monique, Whitney, and Kesha. No matter what, you will always have a special place in my heart. To the Class of '92, "I'm outta here". Last but not least, to my baby Micheal - We've been through a lot but we will always be together.

Congratulations! You are now on your way to a richer and more rewarding life! But have you really thought of where you are really going in life- Spiritually? Are you deeply rooted in your faith? If you said yes to these questions you are fairly safe from world order thinking. If not - I strongly advise you to find out now... before it is too late.

I will tell you one thing else... If your spirit is not right with God, you will have a confusing life mentally and spiritually.

Pineers Club

Concern about the South Jersey Pinelands became a focus for this group of art majors in Mr Kyrejko's senior art class. They considered themselves pioneers in their quest to promote awareness of the importance of our natural environment - the Pinelands, in particular - thus they became the PINEERS CLUB.
